Investment Account Balance	- \$23,781.49

President, Linda Runnebaum, read the minutes of the last meeting. Nikki Witting moved the meetings be approved and Marcia Sprigg seconded the motion.

Principal, Alan Lammers discussed the SIS program. He stated they would like to change the credits and debits on accounts but is not sure this will be able to happen. The school is trying to do as much as they can electronically. If you want a newsletter as an attachment in an e-mail or if you would like to receive text you can contact the school to get these set up.

He thanked everyone for returning the Ebate form. They are in hopes that the school will be able to receive some type of discount on phones.

Early Childhood continues to work on licensing.

Mr. Lammers stated that the Cantor Choir is doing great with Ms. Burnett and they have found a couple of people to help with the play.

Mr. Lammers also expressed gratitude to all that helped at the turkey dinner to make it a success.

## **New Business:**

Linda Runnebaum read an MU concession update sent by Angie Esser. There are 48 families out of 129 that have worked the football games. 13 of the 48 families have worked more than 1 game. A sign-up sheet was passed around for the MU basketball games. A reminder was given that there are 20 basketball games so it is important that we all sign up for more than one game. As an organization we shouldn't rely on the work of just a small percentage of families to fund what we do for children. We all must work together to make this a success.

Lori Rowlett gave a report from the fundraising committee. She gave more information on each of the fundraising ideas that were on the survey sent via Teacher Ease. Fundraising ideas were tabled at this time to look into further. A show of hands was given to determine whether or not we would continue Innisbrook. It was favorable to continue with the Innisbrook fundraiser for the 2011-2012 school year.

Jennifer Rice gave a report sent from the Hospitality chairman, Krissa Reddell. The committee is providing snacks for the teachers on the monthly early release days to have during their professional development. The committee members have divided up and will either be providing a snack each month or calling on other families to help bring a snack. Jennifer stated that her vision is to get many more families involved to show our appreciation for our teachers. She stated if you are interested in contributing snack you can e-mail her ([jrice@boonville.k12.mo.us](mailto:jrice@boonville.k12.mo.us)) and she will pass it on to the committee.

Elaine Green gave a report on the book fair. Almost \$4,000 in sales were made this time which was an increase from last year. Teachers each received \$100 in books from the book fair. The library also received \$100 and then was given an additional \$500 in books.

Linda Runnebaum gave an Innisbrook Wrapping Paper sales update sent by Trish Lutz. Innisbrook sales were up 7% from last year. This year there were sales of \$13,768. Our net profit for the year was \$7,058.48. A large portion of the funds still need to be collected. Trish expressed an interest

in moving the fundraising up to an earlier date to be closer to Labor Day. The group agreed that this would be fine.

Tari Fredrick gave a SCRIP update. The purpose of the SCRIP program is to create an additional source of revenue for the parish to assist in covering general operation expenses. Tari explained how easy it is to use the program and encouraged everyone to use it during the holiday season.

Dan Horst gave an update from the technology committee. The committee stated that the computer lab needs to be addressed. We have 4 computers and monitors that need to be replaced at this time. The committee requested ~\$2,000 to buy 4 new monitors and computers. Marcia Sprigg moved that we purchase the computers. Lori Rowlett seconded the motion. The motion was approved. Ferris Pfeiffer suggested that the committee look at the University auction for computers there. The committee will look into this to determine whether this option or purchasing the new computers will be best for the needs of our students.

Linda Runnebaum shared that Dawn Lammers had resigned as secretary due to personal reasons. Jill Bronakowski nominated Jill Coleman for secretary. Pat Zeitlow made a motion to accept the nomination. Brenda Fuemeler seconded the motion.

The meeting was closed.

The meeting was followed by a wonderful family game night sponsored by Jill Ross and Title I.
