IRS Guidelines

The IRS requires that charitable organizations such as SS Peter & Paul Home and School Association inform their contributors about the deductibility of payments and donations made by patrons for fundraising activities. The following are guidelines provided to assist you in your tax preparations:

- **Dinner Tickets:** Each ticket is tax-deductible to the extent that it exceeds the fair market value of the meal cost which is \$25
- The fair market value set for each item is a “good faith estimate” as required by the IRS. You may deduct only what is paid in excess of each gift’s fair market value.
- Cash contributions are tax-deductible to the fullest extent of the law (o.e. Fund-A-Need)
- Please keep all receipts from tonight to use for your taxes. The purchases and donations from this event WILL NOT be on your 2026 church contribution statement.

It takes everyone to make this event a success!

Thank you to all of our volunteers and supporters!
